

Our guests' and associates' health and wellbeing have always been our priority and it continues to anchor us as we adapt to new challenges. We are fully committed to providing you an environment for a most safe and carefree experience. We are conforming with and rigorously applying the health and safety standards imposed by the Greek government.

Our commitment:

- Emphasis on Hygiene and cleanliness
- Hand sanitizer stations available throughout the buildings
- Regular sanitization of high touch surfaces
- Partnership with local hospital for molecular testing and medical assistance
- Doctor available 24/7
- Reducing housekeeping contact
- Decorative pillows, magazines and non-essential items removed to allow a greater peace of mind
- AC Cleaning, disinfection of air ducts, filters and grills upon every check-out

COVID-19 CASE PROTOCOLS

Should one feel unwell, he or she will be encouraged to contact the owner that will follow the protocol.

An extensive plan is in place, so that appropriate quarantine procedures and cleaning protocols will be implemented

Guests are critical in preventing the spread of COVID-19. To fulfill this responsibility, we offer resources such as personal protection equipment and good health practices

Signage is posted to remind guests of social distancing guidelines and hygiene practices

Associates are educated on how to wear, handle and dispose PPE, the proper way to wash hands, sneeze, and avoid touching their faces
